

COPYRIGHT

1 COPYRIGHT, LEGAL REPRODUCTION RIGHTS AND PROPERTY MISDESCRIPTIONS

1.1 Limited Reproduction Rights of the commissioned material passes to the Client upon full settlement of the final invoice. This allows reproduction for all uses stated on the quotation from the Business. By default and in the absence of any stated use, this will be 'General Marketing'. General Marketing use excludes use for 'merchandising' (e.g. reproduction of an image for promotion on goods for resale), for which an additional fee will need to be negotiated.

1.2 Unless agreed in advance, use of the images and/or videos by any third party (including, but not limited to, newspapers, magazines, book publishers, television, film, the Internet, builders, architects, sellers, buyers, interior designers) will only be granted following written permission from Raven Drone Solutions. This will incur a negotiated Reproduction Fee that will be need to be discussed with Raven Drone Solutions.

1.3 Subject to Paragraphs 1.1 and 1.2, above, the following exception do not need advance written permission from Raven Drone Solutions:

1. Any third party working directly for the Client such as a Company creating publicity material for the Client incorporating the commissioned material in a General Marketing way.

1.4 Raven Drone Solutions abides by the Consumer Protection from Unfair Trading Regulations 2008 and the Business Protection from Misleading Marketing Regulations 2008. Raven Drone Solutions will not alter our images to deliberately mislead the viewer. We remind users of our images that publishing old images (which were taken much earlier when the views were significantly different), without indicating capture date, could be misleading. Both of these activities may be considered as offenses under these Regulations.

1.5 The content in the Business' website including photos, images, text, html, and designs is registered by Raven Drone Solutions and protected by the US Copyright

Office laws. Any visitor to the website may not copy, reproduce, download, store, post, broadcast, transmit, modify, sell or make available to the public content from the website without the prior written approval of Raven Drone Solutions. Raven Drone Solutions uses copyright automated infringement detection tools to search for unauthorized text and images used on other sites.

2 LICENSING

2.1 Raven Drone Solutions retains all rights to licensed materials (imagery, videos, maps, data, and reports).

2.2 Raven Drone Solutions grants the Client a non-transferable, non-resellable license to use the commissioned material (imagery, videos, maps, data, and reports) as agreed in clause 1.1, 1.2 and 1.3 for a period of 5 years from the date of delivery of the commissioned material from the Business to the Client.

2.3 Raven Drone Solutions requests the Client to give a credit for the commissioned material online, on television and print media.

2.4 The Client is not to transfer any material to any third-party without written consent to Raven Drone Solutions.

2.5 Licensing terms can be negotiated by the Client to better suit the needs of the project.
